

UUCWC Board of Trustees 2023–2024 Goals

UUCWC is a community that is counter-cultural, modeling ways of being that are non and anti-capitalist.

We are radically welcoming and hospitable.

Our multigenerational, multicultural, in-person and online communities are woven tightly to each other and the wider whole.

We are spiritually grounded, motivated by joy in a wounded world, and honor authenticity.

We lead with citizens rather than for consumers.

We are known in the larger community as partners, collaborators and advocates for justice.

Our obligations are taken seriously, communicated transparently and are living commitments that require our ongoing flexibility and investment.
